

**No Screws Attached
PRESS KIT**

Can you outbuild your friends in the competitive and cutthroat world of small-home construction? Do you handle endless requests from eccentric clients that clearly know nothing with grace?

Find out who among you can assemble the most buildings in the least time with a shared pool of building resources. Build walls, haphazardly pile on roofs, and steal wood from your friends. Best of all, see who can achieve the status of...STILL EMPLOYED.

THEY'RE ALL LOAD-BEARING

Stack blocks to complete blueprints! But watch out! Jeff forgot to order any adhesive so make sure to get those levels out and start **BALANCING, PEOPLE!**

STEALING, SMEALING

There's a national supply shortage! Always! Our solution? **Steal blocks for your neighbors** to fill any gaps in materials!

STAY ON PAYROLL

WE CAN'T AFFORD ALL OF YOU. We don't care about stupid things like "Is there any insulation?" or "Are the walls stable?". We want **RUSH JOBS. Play against your coworkers to complete the most buildings before time runs out!**

OSHA CAN'T FIND YOU HERE

Do you know what transportation costs do to a burgeoning business?! **WELL, WE DON'T!** If you think your coworker could use an 18th wooden piece, just go ahead and **THROW IT OVER. Toss blocks across the screen to aid or dissuade your friends.**
